

Innovative postgraduate programme for all those working in a community-based learning context (eg school, local authority, children's centre)

MA in Leading Community Learning: professional development opportunities

▶ **Postgraduate Certificate in Leading Community Learning**

Twelve taught days covering community learning and social capital and strategy and development in community learning (eg extended schools, parental involvement, engaging the 'hard-to-reach' learner)

▶ **Postgraduate Diploma in Leading Community Learning**

Twelve taught days looking at leading through community partnerships and evaluating participation in community education and development (eg neighbourhood regeneration projects, volunteering, community leaders)

▶ **MA in Leading Community Learning**

Students prepare a dissertation on a subject of their choice, in agreement with the University

▶ **One-day courses**

Students can attend one or more of the taught days on all our postgraduate courses

Leading community learning programmes are delivered through a partnership between ContinYou and Staffordshire University (Stoke-on-Trent).
