

Hello, hello

Hello, hello, it's good to see you,
Hello, hello, it's good to see you;
I must say, you've made my day,
Hello, hello, hello!

Hello, hello, it's good to see you,
Hello, hello, it's good to see you;
I must say, you've made my day,
Hello, hello, hello!

Goodbye, goodbye, it's time to go now,
Goodbye, goodbye, it's time to go now;
I must say, you've made my day,
Goodbye, goodbye, goodbye!

Goodbye, goodbye, it's time to go now,
Goodbye, goodbye, it's time to go now;
I must say, you've made my day,
Goodbye, goodbye, goodbye!

Goodbye, goodbye, goodbye!

I once saw an elephant

I once saw an elephant,
Ooh, but he was elegant,
Dressed in his best,
With a big bow tie.
Playing on a piano,
Going hammer, hammer, hammer,
And the audience all went 'Ooh!'
Playing on a piano,
Going hammer, hammer, hammer,
And the audience all went 'Ooh!'.

I once saw a dinosaur,
Ooh, he had a mighty roar,
Dressed in his best,
With a big bow tie.
Playing on a drum,
Going rumpy-tumpty tum,
And the audience all went 'Ooh!'
Playing on a drum,
Going rumpy-tumpty tum,
Playing on a piano,
Going hammer, hammer, hammer,
And the audience all went 'Ooh!'.

I once saw a crocodile,
Ooh, he had a funny smile,
Dressed in his best,
With a big bow tie.
Playing on a flute,
Going rooty-tooty toot,
And the audience all went 'Ooh!'
Playing on a flute,
Going rooty-tooty toot,
Playing on a drum,
Going rumpy-tumpty tum,
Playing on a piano,
Going hammer, hammer, hammer,
And the audience all went 'Ooh!'.

I once saw an octopus,
Ooh, he liked to make a fuss,
Dressed in his best,
With a big bow tie.
Playing a guitar,
Going la-di-da-di-da,
And the audience all went 'Ooh!'
Playing a guitar,
Going la-di-da-di-da,
Playing on a flute,

Going rooty-tooty toot,
Playing on a drum,
Going rumpy-tumpty tum,
Playing on a piano,
Going hammer, hammer, hammer,
And the audience all went 'Ooh!'.

I once saw a big giraffe,
Ooh, he liked to have a laugh,
Dressed in his best,
With a big bow tie.
Playing on a fiddle,
Going hey diddle-diddle,
And the audience all went 'Ooh!'
Playing on a fiddle,
Going hey diddle-diddle,
Playing a guitar,
Going la-di-da-di-da,
Playing on a flute,
Going rooty-tooty toot,
Playing on a drum,
Going rumpy-tumpty tum,
Playing on a piano,
Going hammer, hammer, hammer,
And the audience all went 'Ooh!'.

I'm gonna be your friend

Take a look around you,
It may well astound you
How some people make it through.
Got no food or shelter,
Life's a helter-skelter;
Listen up, I'm talking to you.

*Right here today,
I just wanna say,
I'm gonna help,
I'm gonna be your friend.
Friends stick together
Through all kinds of weather,
An' I'm gonna be your friend.*

Take a look around you,
It may well astound you
How some people just get by.
We can turn a sorrow
To a bright tomorrow,
Now it's up to you and I.

*Right here today,
I just wanna say,
I'm gonna help,
I'm gonna be your friend.
Friends stick together
Through all kinds of weather,
An' I'm gonna be your friend.*

'Cause when you got friends,
You got hope,
A bond that will keep us together.
We can be there
For each other,
Friendship that lasts forever.

Take a look around you,
It may well astound you
How some people just get by.
We can turn a sorrow
To a bright tomorrow,
Now it's up to you and I.

*Right here today,
I just wanna say,
I'm gonna help,
I'm gonna be your friend.
Friends stick together
Through all kinds of weather,
An' I'm gonna be your friend.*

*Friends stick together
Through all kinds of weather,
An' I'm gonna be your friend.*

Bright blue sky

There's a bright blue sky above the clouds,
Though you can't see it.
There is sunshine though the chill wind blows
So you can't feel it.

There are cold seeds sleeping in the earth,
That lies beneath your feet.
And they're waiting for the spring to come
To give them life and heat.

*There's a bright blue sky above the clouds,
Though you can't see it.
There's a bright blue sky above the clouds,
You'd better believe it.*

There's a bright new smile behind each frown,
Though you can't see it.
There's a laugh to cheer you when you're down,
But you can't hear it.

Ev'ry angry face is like a mask,
That tries to hide away
All the kindness, all the love and joy,
That make a happy day.

*There's a bright blue sky above the clouds,
Though you can't see it.
There's a bright blue sky above the clouds,
You'd better believe it.*

You can do it

You can do it if you want to do it
Just believe that you can do it
Do the best that you can
You know you can, can, can
You can, can, can
You'll achieve your goal and tell if you listen well.

You can do it if you want to do it
Just believe that you can do it
Do the best that you can
You know you can, can, can
You can, can, can
You'll be up there with the rest if you try your best.

You can do it if you want to do it
Just believe that you can do it
Do the best that you can
You know you can, can, can
You can, can, can
You can go so very far if you practise hard.

You can do it if you want to do it
Just believe that you can do it
Do the best that you can
You know you can, can, can
You can, can, can
You will lift the winner's cup if you don't give up.

Don't – give – up! Yeah!

Jungle song

As we walked along singing our song we saw
 An elephant
 (An elephant)
 With a large trunk,
 (A large trunk)
 A very large trunk,
 (A very large trunk)
 A very, very, very large trunk,
 (A very, very, very large trunk)
 And we sang our song, and he liked our song, and he
 came along.
 Ahr, oo, oo, ahr, oo, oo, ahr, oo, oo, ah!

As we walked along singing our song we saw
 A lion,
 (A lion)
 A fierce lion,
 (A fierce lion)
 A very fierce lion,
 (A very fierce lion)
 A very, very, very fierce lion,
 (A very, very, very fierce lion)
 And we sang our song, and he liked our song, and he
 came along.
 Ahr, oo, oo, ahr, oo, oo, ahr, oo, oo, ah!

As we walked along singing our song we saw
 A crocodile
 (A crocodile)
 With large jaws,
 (With large jaws)
 With very large jaws,
 (With very large jaws)
 With very, very, very large jaws,
 (With very, very, very large jaws)
 And we sang our song, and he liked our song, and he
 came along.
 Ahr, oo, oo, ahr, oo, oo, ahr, oo, oo, ah!

As we walked along singing our song we saw
 A spider,
 (A spider)
 A wriggly spider,
 (A wriggly spider)
 A very wriggly spider,
 (A very wriggly spider)
 A very, very, very wriggly spider,
 (A very, very, very wriggly spider)
 Did we sing our song?
 No! We ran away!

Good to be me

*One, two, three,
Good to be me,
One, two, three.
One, two, three,
Good to be me,
One, two, three.*

One, two, three,
It's good to be me,
And I want the world to know,
It's good to be me.

One, two, three,
It's good to be me,
And I want the world to know,
It's good to be me.

I'm a special person
And there's only one of me,
And no one else is prouder
Of the person that is me.

One, two, three...

One, two, three,
It's good to be me,
And I want the world to know,
It's good to be me.

One, two, three,
It's good to be me,
And I want the world to know,
It's good to be me.

I'm a special person
And there's only one of me,
And no one else is prouder
Of the person that is me.

One, two, three...

I'm a special person
And there's only one of me,
And no one else is prouder
Of the person that is me.

One, two, three...

One, two, three...

I'm OK!

I'm OK!
I was meant to be.
No mistake,
There's a place for me.
Whatever people say,
I am me – and that's OK!

I'm unique,
There's no-one like me.
It's a fact, I'm a VIP.
No matter what they say,
I am me – and that's OK!

I'm me!
It's a wonderful thing to be;
And I make no apology,
'Cause I'm learning to be myself.

It's true!
It's OK to be me, not you;
'Cause the way that I'm made
is good,
And I'm learning to like myself.

I'm OK!
I have dignity.
You could say
I'm at home with me.
Whatever people say,
I am me – and that's OK!

I'm unique.
Take a look at me.
Nothing cheap,
This is quality!
No matter what they say,
I am me – and that's OK!

I'm me!
It's a wonderful thing to be;
And I make no apology,
'Cause I'm learning to be myself.

It's true!
It's OK to be me, not you;
'Cause the way that I'm made
is good,
And I'm learning to like myself.

**(Repeat verses 1 and 2 with
the following additional vocals):**

I'm OK!
I was really meant to be,
There is a place for me.
Whatever people say,
I am me – and that's OK!

I'm unique,
There's nobody else like me.
It's a fact, I am a VIP.
No matter what they say,
I am me – and that's OK!

I'm OK!

Nobody loves me

Nobody loves me, everybody hates me,
Guess I'll go and eat worms,
Long, slim, slimy ones, short, fat, juicy ones,
Itsy bitsy fuzzy wuzzy worms.

First you cut the heads off, then you suck the guts out
Oh, how they wiggle and squirm,
Long, slim, slimy ones, short, fat, juicy ones,
Itsy bitsy fuzzy wuzzy worms.

Wiggle goes the first one, goosh goes the second one,
Sure don't wanna eat these worms,
Long, slim, slimy ones, short, fat, juicy ones,
Itsy bitsy fuzzy wuzzy worms.

Down goes the first one, down goes the second one,
Sure hate the taste of worms,
Long, slim, slimy ones, short, fat, juicy ones,
Itsy bitsy fuzzy wuzzy worms.

Nobody hates me, everybody likes me,
Never should've eaten those worms,
Long, slim, slimy ones, short, fat, juicy ones,
Itsy bitsy fuzzy wuzzy worms.

Up comes the first one, up comes the second one,
Oh, how they wiggle and squirm.
Long, slim, slimy ones, short, fat, juicy ones,
Itsy bitsy fuzzy wuzzy worms.
